IN THE BEGINNING, PART I

In the beginning…. In the beginning…. Tohu Vavohu

AND — in the beginning, I trusted you
The world was fresh, and love was new
An open sky, an endless blue
To carry through
Tohu vavohu

Then — in the beginning of brokenness
A sudden edge, a carelessness
A cry for help, into the mist
An emptiness
Tohu vavohu

CHORUS: Here, In these arms, what is true – we behold anew
And standing firm, through the end, we begin again
Tohu vavohu

Then — in the beginning, so deep inside
A slow reveal: you cannot hide
The river's cold, the river's wide
The other side ….
Tohu vavohu

Then — In the beginning, how can we know
What to believe, which way to go
The sands will shift, the wind will show
And so it goes
Tohu vavohu

CHORUS
