Kol Han'shama

Note: Best done with 2 groups -- 'Chorus group' does the choruses in unison with the soloist, and the indicated "snap-claps," while 'Chant group' chants "Praise! Praise YAH!" with indicated hand motions throughout. "YAH!" is whispered.

About 'Chant group' hand motions: On the word "Praise," hands open towards the ground; on "Praise YAH!" the hands again open towards the ground for the word "Praise," but then they raise up to be even with head, opening towards sky on the word "YAH!" See the video at BillyJonas.com/scores
