God is in the child's eyes, see them wide, wondrous, wise
God is in the rain and snow, and each snowflake: this we know
God is in the trees and air; the rocks, the birds, the bees, the bears
God is in the clouds above; God is in each act of love
God is in the oceans deep, some say God goes there to sleep
God is in the mountains high, whistling a lullaby
God is in the darkest woods, God is in your neighborhood
God is in a place that's near; sometimes it's just not so clear

God is in .... God is in .... God is in .... God is in .... God is in .... God is in

God is in your bank account, sometimes juggling the amount
God is in your ATM, counting bills and stacking them
God is in your college fund, laughing ‘cause it's gone gone gone
God is in your IRA, adding interest every day
God is in your pocket change, your job is giving it to strangers
God is in the beggar's cup; sometimes God just fills it up
God is in the microwave, unless you try to use something metal
Also don't microwave with plastic wrap
Cause it forms molecular bonds with your food and turns your intestines into Tupperware
God is in your Tupperware, but not the lids so buy some spares
God is in…. God is in….
God is in love with love so live and love and that's enough
God is in…. God is in….
God is inside of you -- all you don't and all you do
God is in…. God is in….
God is in your greatest doubt -- the jury's out, the doctor's out, but

God is in .... God is in .... God is in .... God is in .... God is in .... God is in
